
CityWalk - ERDF project partner:

City municipality Varaždin

Varaždin is the city of baroque, young people, music, flowers and bicycles. „Little Vienna“ with rich natural legacy interwoven in parks, a must see destination, located in the North of Croatia on the southern bank of the River Drava.

With 46.946 inhabitants and the average annual temperature of 10°C, the city of Varaždin is one of the most attractive destinations to live in or to visit in Croatia. It is the tourist, cultural, economic, educational and sporting centre of North-western Croatia. The nine-times winner of the award presented by the National Tourism board, the nomination for the Golden Flower of Europe and holder of 11 „Green Flowers“, and the national award – all for the most ordered, appointed and maintained destination, speak in favor of Varaždin being the city of pleasant emotions. The city of angels, colorful and magical events; the most famous ones *Špancirfest* - the Street Festival of good emotions in summer and the classical music festival - Varaždin Baroque Evenings which celebrates music, baroque architectural inheritance and authentic instruments, in autumn.

Experience and knowledge in producing relevant documentation for development of urban mobility and activities made on establishing functional public transportation, including environment protection and transport and traffic infrastructure improvement are what City municipality Varaždin will contribute to the partnership of CityWalk project.

City municipality Varaždin aims are on solving local issues by procuring new documentation related to urban mobility, gaining new knowledge about urban mobility in small and medium towns across Europe, providing experience (positive and negative) and knowledge to partners regarding urban transport systems, and dissemination of local and overall project results on local, regional and national area.
