Chamber of Commerce and industry of Serbia

Chamber of Commerce and Industry of Serbia is an independent, modern and responsible non-budgetary institution, a national association of all Serbian businesspeople, which serves the best interests of its members and the Serbian economy, owing to its tradition, experience and knowledge. Their key commitment is to make Serbia visible as a market economy country, with investment opportunities, open borders, and ready to join the European trends in a competitive way.

A century and a half of the Serbian chamber system tradition and the developed chamber network, Representative Offices abroad, are the guarantor of efficient implementation of the support mechanisms for the economy and businesspeople in their activities.

The Chamber of Commerce and Industry is supporting business society through representing interests of companies, before the governmental bodies and institutions, exercising public powers by issuing various documents, upgrading international economic cooperation, promoting the economy in the country and abroad, disseminating business information to our members, consultancy services, business education, fostering good business practice and business ethics, and work of Courts and Arbitration hosted by CCIS.
