

Agenda

Meeting: Sediment Balance Workshop
 Date, time: **21st October 2019, 10:00**
 Host: VUVH
 Venue: VUVH, address: Nábřežie arm. gen. L. Svobodu 5, Bratislava

Chaired by: Katarina Holubova (VUVH)

Time	Topic	Responsible
9:30 – 10:00	<i>Welcome and registration</i>	VUVH
10:00 – 10:05	Opening	VUVH
10:05 – 10:20	Introduction about DanubeSediment project	Barbara Kéri, BME
10:20 – 10:35	Alteration of sediment balance as a Significant Water Management Issue (SWMI)	Helmut Habersack, BOKU
10:35 – 10:50	Sediment monitoring along the Danube and suspended sediment data analysis	Sándor Baranya, BME
10:50 – 11:15	<i>Coffee break</i>	
11:15 – 12:00	Morphological Development of the Danube River	Katarina Holubova, VUVH
12:00 – 13:00	Sediment Balance Assessment – key results and outputs	Katarina Holubova, Miroslav Lukac, VUVH
13:00 – 14:00	<i>Lunch break</i>	
14:00 – 14:15	Measures to stop bed erosion and measures against sedimentation as good practices for sediment management	Florin Vartolomei, NARW
14:15 – 14:45	Recommendations on sediment management – Sediment Management Guidance and Manual for Stakeholders	Helmut Habersack, BOKU
14:45 – 15:30	<i>Open Discussion</i>	all
