Tourist attractions
YEAR 2020

The year of the pandemic

New challenges for tourism and visitors
IDEA

European Day Of Parks 2020

Europarc Federation came with theme “Healthy Parks – Healthy People”

**Key message:** Parks & protected areas have an important mission connecting people with nature!
Apuseni Nature Park Administration
Theme: Healthy parks, healthy people
Our project: Reconnect with nature
New tool for visitors have been developed as an interactive map

Access to the map – on the park website [www.parcapuseni.ro](http://www.parcapuseni.ro)

**General description**

**Interactive map of nature reconnection locations**
What are nature reconnection locations?
- proposals of the rangers
- easy access
- unknown for general public
- quiet places
- no risk for contamination for the visitors
- a place to escape and be safe
What are the endowments of the nature reconnection locations?

- log benches
- info boards with motivational messages for each location, example: *let your thoughts flow down the valley with the ripples of the water and you will be left alone with nature*
How to get to the **nature reconnection locations**?

[www.parcapuseni.ro](http://www.parcapuseni.ro)

From your location anywhere in the world to pure nature in Apuseni Nature Park.

**The best places to escape the pandemic!**
Thank you!
